

Genital Herpes Treatment Satisfaction Questionnaire: GHerpTSQc

For the past few weeks/months you have been taking part in a treatment study for genital herpes. Today we would like to know how your experience with your current treatment has changed from your experience of treatment before the study began. Please answer each question by circling a number on each of the scales to indicate the extent to which you have experienced changes. If you have experienced no change please circle '0'.

1. How satisfied are you with your current treatment?

much more satisfied now 3 2 1 0 -1 -2 -3 much less satisfied now

2. How well controlled do you feel your genital herpes has been recently?
