

HIVDQoL

This questionnaire asks about your quality of life – in other words how good or bad you feel your life to be.

Please put an “X” in the box that best indicates your response for each item.

What we would like to know is how you feel about your life now.

I) In general, my present quality of life is:
<input type="checkbox"/> excellent
<input type="checkbox"/> very good
<input type="checkbox"/> good
<input type="checkbox"/> neither good nor bad
<input type="checkbox"/> bad
<input type="checkbox"/> very bad
<input type="checkbox"/> extremely bad

Now we would like to know how your quality of life is affected by your HIV condition, its treatment and any side effects and/or complications you may have.

II) If I did <u>not</u> have HIV, my quality of life would be:
<input type="checkbox"/> very much better
<input type="checkbox"/> much better
<input type="checkbox"/> a little better
<input type="checkbox"/> the same
<input type="checkbox"/> worse

The following items are about different aspects of your life. Each item is divided into two parts:

In Part (a) please show how HIV <u>affects</u> this aspect of your life;
In Part (b) please show how <u>important</u> this aspect is to your quality of life.

1 (a) If I did <u>not</u> have HIV, I would enjoy my leisure activities:
<input type="checkbox"/> very much more
<input type="checkbox"/> much more
<input type="checkbox"/> a little more
<input type="checkbox"/> the same
<input type="checkbox"/> less
(b) My leisure activities are:
<input type="checkbox"/> very important
<input type="checkbox"/> important
<input type="checkbox"/> somewhat important
<input type="checkbox"/> not at all important

NOT FOR USE: This is a shortened sample only.
