

RetTSQs

The following questions are about your experience of treatment for your diabetic eye problems – the eye problems often caused by diabetes.

Your eye treatment includes:

- medications (e.g. tablets, eye drops).
- visits to the doctor and hospital for check-ups and laser treatment or surgery.

In this questionnaire, please:

- think about the treatment for your diabetic eye problems, not for your diabetes itself.
- think about your eye treatment over the past few weeks/ months.
- answer each question by putting an "X" in the box next to one of the numbers from 6 to 0 or sometimes 7 to 0.

NOT FOR USE: This is a shortened sample only.

For use of the full questionnaire, please contact info@healthpsychologyresearch.com
