

Study Medication Satisfaction Questionnaire (change): (SMSQc)

For the past few weeks/months you have been taking part in a medication study. Today we would like to know how your current experience of study medication has changed from your earlier experience of study medication used during the first few weeks of the study. Please answer each question by circling a number on each of the scales to indicate the extent to which you have experienced changes. If you have experienced no change, please circle '0'.

1. How satisfied are you with your current study medication?
